

**TECHNICAL FILE – WATER DISPENSER ELECTRIC 1487**

Rev. 00

Brand	JOCCA
Model	1487
Brush body dimension	11.1 x 5.5 x 9.6 cm
Voltage	5V DC (Micro-USB)
Power	4 W
Battery voltage	3.7 V
Battery capacity	600 mA
Battery type	Polymer lithium battery
Battery life	250 cycles (charge & discharge)
Charging time	Approx 3 hours
Working time	Approx. 40 days
Noise	Approx. less than 50 db
Waterproof level	IPX44
Weight	165 gr
Materials	ABS, Silicone
Silicone pipe dimensions	Ø6 x 505 mm Thickness 1 mm
Silicone pipe weight	11 gr
Silicone pipe materials	Silicone
Brush & head assemble weight	93 gr
Led indications	Red color, it is charging Green color, it is already charged
Flow	Approx. 1 Litre/minute
Directives	Regulation (CE) n°1935/2004 on materials and articles intended to come into contact with food Regulation (CE) n° 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food Regulation (CE) n° 10/2011 plastic in contact with foodstuffs
